

ReadyTest A-Z

Everything you need to get your kids test-ready

Today, teachers are under more pressure than ever before to deliver results on end-of-year standardized assessments. **ReadyTest A-Z** is an online resource created to provide your students with the practice and skills they need to succeed on high-stakes ELA tests. The product contains a collection of grade-appropriate practice tests designed to model the question and answer types your students will encounter and a set of teacher-led lessons that help you introduce critical test-taking skills and strategies your students need to become successful test-takers.

With ReadyTest A-Z you get:

- ✓ A collection of grade-appropriate ELA practice tests that gradually increase in difficulty and length, available in printable and computer-based formats
- ✓ Technology-enhanced items and smart-response rationales on computer-based practice tests that teach students to read closely and learn from past mistakes
- ✓ A set of teacher-led lessons that introduce your students to the skills and strategies necessary for success on end-of-year standardized assessments
- ✓ The Kids A-Z student learning environment and teacher management hub that saves you time and makes learning fun for your kids
